

Phone Banking for Your Future Continues

SCTA Phone Banking: Help Elect Teacher Supporters

Your SCTA phone banks are operating Monday to Thursday from 4 to 7:30pm and on Saturday from 10am to 2pm and Sunday from 1 to 4pm. On the weekends, you can also precinct walk the areas around the schools that have your candidates up for elections. You can also help by writing postcards. Food is provided each day. Just show up and, or see your SCTA Rep about a calling night for your school. The calling is easy. It's your future at stake. The opponents want to erode your due process rights, reduce your pensions and benefits, and hold you accountable for tests that are not aligned to curriculum or reality.

Election Night Gathering: Tuesday, November 2

Join the candidates and your colleagues here at the SCTA office starting at about 6 pm to start hearing the results. Food and beverages will be provided. Be prepared to celebrate or commiserate. It's your future at stake.

Single Stipend Mistake

The District software made an error in the calculation for single stipends. It used a 12 month calculation rather than a 10 month. The District will correct the item.

Hourly, Substitute, and Some Part Time Dues Deduction Mistakes

The District software program made another mistake on dues deductions for and failed to deduct for the month of September. This means that the District will be doing double deductions to catch up each person. Full coverage for members means rights of membership.

Calendar Sign Off

SCTA and the District signed off certain calendar matters related to student progress reports and certain days of service. As reported earlier, the Lincoln holiday is eliminated for this year and the last non instructional day will be replaced by a teaching day. The non instructional day will be completed during the last week of school based on a site plan. This kind of change has happened before. Also, the whole week of Thanksgiving will be off.

Health Net Prescriptions

Teachers with questions about their Health Net prescriptions can call SCTA and we will forward you and or your concern to an agent to deal with the matter.
