

Our Students Deserve the Best!

The Sacramento City Unified School District is in the best financial position its history.

Revenues have increased by 41% since 2012-13, while the District's reserves have swelled an astonishing 404%.

The District currently has **\$98 million in reserves**, while classrooms go without credentialed educators.

Sac City educators have united with parents, students, and the community to put forward a number of proposals that would put Sac City on the path to becoming a Destination District by proposing to:

- Lowering class sizes
- Make arts and music available to all students.
- Improve and fully resource the Special Ed program.
- Increase school nurses, psychologists, and other staff along national standards.
- Enable all students, including special needs students, to receive physical education.
- Implement a resourced, bottom-up restorative practices culture throughout the District.
- Provide competitive salaries to recruit & retain teachers who fit our District's diversity.

The District Has Rejected Every One of Those Proposals!

Our students deserve better.

Let's Make Sac City The Destination District Rally

Thursday, March 16, 2017

5:00 p.m.

Sac City Board of Education
Serna Center (5735 47th Avenue)
