Re: Community Forum, December 12, 2019 at 6:00 PM

Dear Sacramento City Unified School District parents, students, educators and community stakeholders:

Our Sacramento community is a great one in so many respects. Whether it is as the capital of the fifth largest economy in the world, as the nation's "farm-to-fork" destination, or the fact that we can now celebrate the arrival of Major League Soccer. These are all great signs that our future looks bright.

We should be acknowledging the same, however, about our public-school system.

That's why I'm inviting you to a Community Forum on Thursday, December 12, located at the Fruit Ridge Community Collaborative (former Fruitridge Elementary School site), 4625 44th Street, Sacramento beginning at 6 PM.

The forum, "The Future of the Sacramento City Unified School District: Building a World Class Public-School System," is sponsored by the Sacramento City Teachers Association and a wide array of education, labor, public advocacy, and business groups. The forum will provide an overview of SCUSD's current fiscal status, followed by a discussion regarding how to transform SCUSD into a world class public-school system.

Please plan on joining me in this important community conversation.

Respectfully,

Phil Serna
Supervisor, First District
Chair, Sacramento First 5 Commission
