

# Educators are on strike for our SCUSD Students

Parents & Community members can  
learn more at  
[www.sacteachers.org](http://www.sacteachers.org)

# EVERY DAY IN SCUSD:

- 3000 students go without even a substitute teacher in the classroom.
- 600 students go without instruction and are still on a waiting list to be enrolled in Independent Study.
- Students are crammed into buses because of the shortage of drivers.

**SCUSD is in the best financial position in its history. The School Board has to do better. Or we need a better school board.**

## Take Action:

**Contact the SCUSD School Board and tell them that every Sac City Student Deserves a Teacher in the Classroom in a Fully Staffed School!**
